OPNAV NOTICE 3111

From: Chief of Naval Operations

Subj: PERMANENT DUTY STATION CHANGE AND CHANGE IN  
DELEGATION OF AUTHORITY FOR CONSTRUCTION BATTALION  
MAINTENANCE UNIT TWO ZERO TWO (CBMU 202)

Ref: (a) OPNAVINST 3111.14V  
(b) SNDL (OPNAVNOTE 5400 of 18 Jun 03)

1. Purpose. To approve relocation and change in delegation of authority for subject fleet activity under the administrative chain of command of the Chief of Naval Operations per reference (a).

2. Background. This relocation is part of the realignment of billets in the reserve component of the Naval Construction Forces to place units where the demographics of reserve personnel allow for most favorable manning of the units. Currently there are no reserve NFC units in the Southeast and personnel available to man. Units in the Northeast are currently undermanned. This action balances unit manning across all units and reduces the average travel distance and time for personnel assigned to their respective units. It also increased opportunities for improved interoperability of the Navy-Marine Corps team by locating a primary combat support force unit with the Marine unit they would support in time of conflict. Change in delegation of authority places unit under the command of local regimental commander.

3. Organizational Change. Change Permanent Duty Station location of CBMU 202 and delegation of authority effective immediately. The following applies:
